

Pray for Mothers'/Fathers'

Lord, you show your loving kindness to all, including the weakest of the weak, the unborn. You have never failed to lavish kindness and mercy on all creatures. Father, for those mother's and father's that are choosing a path of abortion, we pray that you will turn their hearts to you. Have them witness the loving kindness of those outside of the clinic and cause these parents to make a different choice.

We pray this in the mighty name of Jesus, our Lord and Savior.

Praying for those Interceding at the Clinic

Kindness is love in action, so we beg you Lord, to fill us with love. You have told us the greatest commandment is, "You shall love the Lord, your God, with all your heart, with all your soul, and with all your mind. (Matt 22:37), and if we obey that command then we should be able to obey the second, "You shall love your neighbor as yourself." (Matt 22:39).

Lord, help us to love these mothers and fathers in crisis as we love their unborn children too.

We pray this in the mighty name of Jesus, our Lord and Savior.

Prayer for the Children at risk

Lord God, your word says that whoever receives one child such as this in my name receives me (Matt 18:5). With deep trust in your infinite mercy, we bring to you those precious children that hang in the balance of life and death. We spiritually adopt them and pray for them as they are at risk of being aborted. Grant that the parents of these children realize that this new life is not an inconvenience or a burden but a child; their child, and a gift from you. Give them the courage, strength, and guidance they need to embrace this child and to choose life.

We pray this in the mighty name of Jesus, our Lord and Savior.

Breaking the Hearts of God's People

Lord our hearts break for the children that are being slaughtered in our nation and world. May their deaths be a catalyst for many mercies and inspire their parents and others to work for life.

We pray you forgive us all for not sufficiently appreciating and valuing the children of your creation so that we have allowed the knowing termination of so many innocent lives. We pray that you Father will increase our compassion, by breaking our hearts with what breaks yours.

We pray this in the mighty name of Jesus, our Lord and Savior.
